Investing regularly:
The power of a pre-authorized contribution plan

A pre-authorized what?
A pre-authorized contribution plan is an easy and effective way to save and invest regularly.

Build good habits
Automatically invest a set amount on a regular schedule.

Achieve your goals
Invest toward specific goals through your TFSA, RRSP, RESP or non-registered accounts.

Invest your way
You decide what makes sense — how much to invest and how often. Adjust at any time.

Boost growth
Enhance portfolio growth over the long term.

Stay focused
Don’t worry about market timing. Automatically take advantage of investment opportunities.

Small change, big results
The size of your regular contributions has a dramatic impact on the growth you’ll see.

Invest early, invest often
Investing regularly over a long time period can produce dramatic results through compound growth.

Growth of a $5,000 initial investment plus $100 monthly contributions over 30 years (assume 6% annual growth, compounded monthly).

Small change, big results
The size of your regular contributions has a dramatic impact on the growth you’ll see.

Growth of a $5,000 initial investment plus a range of monthly contributions over 30 years (assume 6% annual growth, compounded monthly).

MD compound growth calculator
Create your own personalized example using the MD compound growth calculator.

Invest in yourself and we’ll chip in, too!
Get up to $500* when you start a pre-authorized contribution plan or increase your contributions by October 31, 2020, with deposits to an MD Management Limited investment account.
